The client is obliged to immediately initiate all suitable measures to minimise damage. If a timely report has been made in accordance with Section 12 above, BELIMO is obliged either to replace defective products with products that are equal or equivalent, to have them repaired either by BELIMO or third parties at BELIMO's expense or to issue the client a credit note in the amount of the net price paid for the defective product. Any extra charges incurred in connection with a replacement, such as transport, dismantling, assembly, recommissioning and associated clarifications will be borne fully by the client. The warranty period does not restart from the beginning for replaced products.

BELIMO can require the client to replace particular defective products or parts of products in a system to prevent damage, whereby reasonable client expenditures in this context that are approved in advance in writing by BELIMO will be reimbursed by BELIMO.

The liability of BELIMO is defined conclusively under Section 13. Any other claims of the client towards BELIMO, irrespective of the legal basis, including but not limited to price reduction or rescission, are excluded and waived expressly herewith.

The extent to which BELIMO's liability is excluded or limited, such exclusion or limitation also applies to the personal liability of their employees, staff, representatives and vicarious agents.

15. Indemnification

Upon BELIMO's first request, the client shall indemnify and hold harmless BELIMO in full from any third party claim in conjunction with the events listed under Section 13, letters a) to h). This also applies to claims in connection with product liability.

16. Force majeure

Neither BELIMO nor the client accepts liability for damage of any kind if obstacles occur which they are unable to prevent in spite of all due care, irrespective of whether these occur at BELIMO, the client or a third party. Such obstacles are, for example, epidemics, mobilisation, war, revolts, severe interruptions of operations, accidents, labour disputes, delayed or faulty delivery of the required raw materials, semi-finished or finished goods, non-availability of important work pieces, magisterial injunctions or omissions, embargos,

export or import restrictions, acts of God or any other circumstances which are, to a large extent, beyond the control of BELIMO or the client. Payments, however, may not be retained or delayed with reference to such circumstances. In such cases, both parties shall, without delay, undertake all effective measures which can be expected of them to prevent damage, or if damage occurs, to minimise the degree of this damage as far as possible.
