KNX database available via ETS or download via Belimo website under the respective product.

Device version	KNX Database	Production date	Content
V1.4	BelimoActuator_DB_14.knxpro	> 02.03.2021	<p>Supplement: Integrated KNX 6-Way Valve Application for ball valve actuators LR24A-KNX & NR24A-KNX</p> <hr/> <p>Supplement: Integrated Dew Point sensor function for ball valve actuators LR24A-KNX & NR24A-KNX</p> <hr/> <p>Supplement: KNX Room Temperature Controller with Heating/Cooling (Ceiling) application</p> <hr/> <p>Supplement: 2 New KNX Objects for Setpoint Heating and Setpoint Cooling</p> <hr/> <p>Improvement: Sensor value selection enhanced with Dewpoint control</p> <hr/> <p>Note: Downgrade to FW V1.1 with ETS possible</p>
V1.1	BelimoActuator_DB_11.knxpro	> 01.06.2015	<p>Released without restrictions</p> <hr/> <p>Note: Direct update to FW V1.4 with ETS possible</p>

All inclusive.

Belimo as a global market leader develops innovative solutions for the controlling of heating, ventilation and air-conditioning systems. Damper actuators, control valves, sensors and meters represent our core business.

Always focusing on customer value, we deliver more than only products. We offer you the complete product range for the regulation and control of HVAC systems from a single source. At the same time, we rely on tested Swiss quality with a five-year warranty. Our worldwide representatives in over 80 countries guarantee short delivery times and comprehensive support through the entire product life. Belimo does indeed include everything.

The "small" Belimo devices have a big impact on comfort, energy efficiency, safety, installation and maintenance.

In short: Small devices, big impact.

5-year warranty

On site around the globe

Complete product range

Tested quality

Short delivery times

Comprehensive support
